8. Pig farmers or pig-slaughtering industry personnel	Pig farmers or pig-slaughtering industry personnel	◆ HA : Selected GOPCs* (via internal arrangement by respective organisations) (From 31 October 2022)

B) Pneumococcal Vaccination (PV)

Based on SCVPD's recommendations in 2016, since 2017/18, the Government provides the following free PV to Hong Kong residents aged 65 years or above (**count by year of birth**) who are eligible under GVP:

● Eligible elderly who **have NOT received PV before**:

- Elderly with high-risk conditions# will receive a single dose of 13-valent pneumococcal conjugate vaccine (PCV13) and a single dose of 23-valent pneumococcal polysaccharide vaccine (23vPPV) one year after;
- Elderly without high-risk conditions# will receive a single dose of 23-valent pneumococcal polysaccharide vaccine (23vPPV).

● Eligible elderly who **have received PV before**:

- for those elderly with high-risk conditions# who have received 23vPPV before, will receive a mop-up dose of PCV13 one year after the previous dose of 23vPPV; OR
- for those elderly with high-risk conditions# who have received PCV13 before, will receive a mop-up dose of 23vPPV one year after the previous dose of PCV13.

(Other Hong Kong residents aged 65 or above may be eligible for subsidised PV under VSS ^{Note 1}. They can consult their doctors for the need and details of pneumococcal vaccination.)

Eligible groups for free PV under GVP 2022/23	Service Providers 2022/23
1. Community-living elderly with high-risk conditions# who are existing patients/ clients/ members of the designated public clinics	<ul style="list-style-type: none">◆ HA : SOPCs, selected GOPCs (please click here for details on Hospital Authority designated webpage)◆ DH : EHCs, Chest Clinic, PDQAS Clinics, SPP Treatment Centre
2. Community-living elderly who are recipients of CSSA or holders of valid Certificate ^{Note 2} (with/without high-risk conditions#)	<ul style="list-style-type: none">◆ HA : Selected GOPCs (please click here for details on Hospital Authority designated webpage)◆ DH : EHCs (for members only)
3. All residents of residential care homes for the elderly; or elderly residents of residential care homes for the persons with disability (with/without high-risk conditions#)	<ul style="list-style-type: none">◆ Visiting Medical Officers (DH will approach RCHEs / RCHDs directly for logistic arrangement)
4. Elderly in-patients under HA with high-risk conditions# (e.g.in infirmary, psycho-geriatric, mentally ill or mentally handicapped units/ wards)	<ul style="list-style-type: none">◆ HA hospitals

Under GVP2022/23, the **high-risk conditions** for SIV and PV are as follows:

- History of invasive pneumococcal disease, cerebrospinal fluid leakage or cochlear implant;
- Chronic cardiovascular (except hypertension without complications), lung, liver or kidney diseases;
- Metabolic diseases including diabetes mellitus or obesity (Body Mass Index 30 or above);
- Immunocompromised states related to weakened immune system due to conditions such as asplenia, Human Immunodeficiency Virus infection/ Acquired Immune Deficiency Syndrome or cancer/ steroid treatment; and
- Chronic neurological conditions that can compromise respiratory functions or the handling of respiratory

secretions, or increase the risk of aspiration, or those who lack the ability to take care of themselves

For **SIV, high-risk conditions** also include:

- Children and adolescents (aged 6 months to 18 years) on long-term aspirin therapy

Note 1: The eligible groups for subsidised SIV under VSS 2022/23 are: **Hong Kong residents** who are pregnant women, persons aged 50 years or above, children aged between 6 months and under 18 years or studying in a secondary school, persons with intellectual disability, persons receiving Disability Allowance, and persons aged 18 to under 50 who are recipients of standard rate of “100% disabled” or “requiring constant attendance” under the Comprehensive Social Security Assistance (CSSA) Scheme.

The eligible group for subsidised PV under VSS 2022/23 is: Hong Kong residents aged 65 or above. (For details about VSS, please visit CHP website: <https://www.chp.gov.hk/en/features/17980.html>)

Note 2: Certificate = Certificate for Waiver of Medical Charges issued by Social Welfare Department (SWD)

Note 3: The eligibility of this group can be accepted by clinical staff making reference to the criteria as set out below. In some cases, the CSSA recipient may be required to sign the self-declaration form in DH clinics.

Clinical staff can make reference to following conditions which are defined as 100% disabled

A) Disabling Physical Condition

- (i) Loss of function of two limbs
- (ii) Loss of functions of both hands or all fingers
- (iii) Loss of functions of both feet
- (iv) Total loss of sight
- (v) Total paralysis (quadriplegia)
- (vi) Paraplegia
- (vii) Illness, injury or deformity resulting in being bedridden
- (viii) Profoundly deaf
- (ix) Any other conditions including visceral diseases resulting in total disablement

B) Disabling Mental Condition

- (i) Organic brain syndrome
- (ii) Intellectual disability
- (iii) Psychosis
- (iv) Neurosis
- (v) Personality disorder
- (vi) Any other conditions resulting in total disablement

Other points to note:

1. Please bring the Hong Kong resident identity document and the vaccination record/ card to receive the vaccination.
2. The following persons should also present their documentary proofs:

Persons	Documentary proof required
Persons holding valid Certificate for Waiver of Medical Charges	Certificate for Waiver of Medical Charges issued by SWD (vaccination date should fall within the period for waiving medical charges)
Children aged 6 years or above but studying a kindergarten/ child care centre	Student card or student handbook
Children aged 12 years or above but studying in a primary school	

Adolescents aged 18 years or above but studying in a secondary school	
Persons with intellectual disability	The Registration Card for People with Disabilities (with indication of intellectual disability or mentally handicap)
Persons receiving Disability Allowance	Disability Allowance approval letter issued by SWD (vaccination date should fall within the period of receiving Disability Allowance)
