

政府於十一月十四日刊登憲報，訂立《預防及控制疾病（對若干人士強制檢測）規例》（《規例》）（第599J章）。《規例》提供法律框架，讓政府可要求某類人士接受2019冠狀病毒病的檢測，以及指明的醫生可要求有2019冠狀病毒病症狀的病人接受檢測。《規例》於十一月十五日凌晨零時生效。

The Government has published the Prevention and Control of Disease (Compulsory Testing for Certain Persons) Regulation (Cap. 599J) in the Gazette on November 14, which provides the legal framework for the Government to require certain categories of persons to undergo COVID-19 testing, and for specified medical practitioners to require symptomatic patients to undergo COVID-19 testing. The Regulation commenced at 0.00am on November 15.

緊急應變及項目管理處人員將在有需要時使用下列電話號碼聯絡市民，以作跟進：

Staff members of Emergency Response and Programme Management Branch would contact the general public for follow-up, as and when necessary, using the following telephone numbers-
