If a person who falls within the category specified in Part (I) above is required to undergo quarantine pursuant to section 22 of the Prevention and Control of Disease Regulation (Chapter 599, sub. leg. A), that person is not required to comply with the requirements set out in this Notice during the quarantine period.

If a person who falls within the category specified in Part (I) above is receiving treatment or under isolation in a hospital or an isolation facility on the required testing date(s), he/she would be taken to have complied with the requirements set out in the compulsory testing notice if he/she informs a medical professional of the applicable testing requirements and follows the testing arrangement as instructed by the hospital or isolation facility concerned during his/her hospitalisation or isolation.

If a person who falls within the category specified in Part (I) above had obtained on or after 20 March 2022 a positive test result in a polymerase chain reaction-based nucleic acid test or rapid antigen test for COVID-19 (*relevant person*), then he/she needs not undergo testing in accordance with the requirements of this Notice. The relevant person must produce the relevant documentary proof to a prescribed officer as required below:—
