If a person who falls within the category specified in Part (I) above is receiving treatment or under isolation in a hospital or an isolation facility on the required testing date(s), he/she would be taken to have complied with the requirements set out in the compulsory testing notice if he/she informs a medical professional of the applicable testing requirements and follows the testing arrangement as instructed by the hospital or isolation facility concerned during his/her hospitalisation or isolation.

If a person who falls within the category specified in Part (I) above had obtained on or after 20 May 2022 a positive test result in a polymerase chain reaction-based nucleic acid test or rapid antigen test for COVID-19 (*relevant person*), then he/she needs not undergo testing in accordance with the requirements of this Notice. The relevant person must produce the relevant documentary proof to a prescribed officer as required below:—
