

COVID-19 Vaccination at Public Hospitals

Starting from 2 May 2023, COVID-19 vaccination will be listed as a regular service at specialist outpatient clinics. Members of the public may receive COVID-19 vaccination (including inactivated and mRNA vaccines) at the time they attend medical appointments at the specialist outpatient clinics of the relevant public hospitals.

Opening hours: 10:00 am to 5:00 pm (Mon – Fri) (except public holidays), with lunch break between 1:00 pm and 2:00 pm. Last vaccination is at 30 minutes before the closing time.
