You are submitting a consent form for WONG, YI YUI ☒ Parent ☐ Guardian English Surname CHAN English Given Name YI MING Identity Document Type HKID Card Identity Document Number Q031 [REDACTED] Mobile Phone Number +852 50031042 Next

Step 5	- Schools may choose to use the injectable vaccine, the nasal spray vaccine, or the hybrid mode (use both injectable and nasal spray vaccines). - The system will only provide the type(s) of vaccine(s) selected by the school for parents to choose from. Please be sure to read the relevant vaccine information and pay attention to the situation which a person should not receive vaccination.
Step 6	- Before submission, please double-check and confirm the information - Finally, please read the relevant terms, check the box to indicate your agreement, and confirm the submission.

Done	Upon successful submission, a notification message will be received via the "eHealth" app.
	

Points to Note

1. Both parents and children must register for eHealth account and parents should add their children as family members.
2. If the QR code does not belong to your child's school, please check with the school.
3. The QR code is exclusive to each school and cannot be shared with others.
4. The system will only provide the type of vaccine selected by the school.
5. Vaccines from different brands are equally safe and effective.
