

Residential Care Home Vaccination Programme

(Name of the Resident, to be filled by the RCCC)

(Date of issue of the Notice, to be filled by the RCCC)

Notice of Objection to the Administration of Seasonal Influenza Vaccine to a Children and Teenage of a Residential Child Care Centres (RCCC)

The above-named resident, currently receiving service in _____
(name of the RCCC, to be filled by the RCCC). If the above-named resident is assessed by a doctor as suitable for receiving the 2026/27 Seasonal Influenza Vaccine, the above-named resident will receive the vaccine(s). As the above-named resident is aged below 18, your view (parent/guardian/relative) is consulted.

If you have considered and understood that, not receiving vaccination(s) will increase the risk of serious illness, hospitalisation or even death if the above-named resident gets infected, but object to the administration of vaccine(s) to the above-named resident nonetheless, please return the completed “Reply Slip – Objection to the Administration of Seasonal Influenza Vaccine to a Children and Teenage of a Residential Child Care Centre concerned¹ before _____
(two weeks from the date of issue of this Notice, to be filled by the RCCC) to indicate that you clearly object to the administration of influenza vaccine to the above-named resident. Otherwise, the doctor will administer the vaccine to the above-named resident as necessary and appropriate based on the resident’s best interest.

For enquiries, please contact the RCCC staff concerned.

Department of Health (DH)

2026

(Letter to be issued by RCCC on behalf of DH)

¹ The parent/guardian/relative may return the Reply Slip to the RCCC concerned by their normal means of communication (e.g. in person, SMS, mail, fax or e-mail etc.).
