Overview of Pilot Scheme on Vaccine Procurement for Doctors under VSS 2026/27

Dr Christina MAW
Assistant Director of Strategic Purchasing Office
Strategic Purchasing Office

Background

➤ Pilot Scheme on Vaccine Procurement for Doctors

- **Enhance stability** of **vaccine supply** and **ensure eligible high-risk groups** can receive seasonal influenza vaccination
- **Encourage** eligible groups for vaccination
- **Establish more comprehensive primary care service** by including doctors who have participated in other Government subsidised Primary Healthcare Programme

➤ Government's Position

- Set up **contract(s) with supplier(s)** to **assist** "Specified VSS Doctors" to **order inactivated influenza vaccine (IIV)** as an **alternative source** of vaccine supply
 - Doctors can either draw IIV at **Government-Subsidised Specified Unit Price**, or **procure** vaccines **from private market**
 - Participating **doctor-clinics** are required to provide IIV for VSS eligible persons with **co-payment at \$0, including IIV procured by doctors themselves**
- IIV drawn from the Government Contract shall be administered to **VSS eligible groups only**

Doctor's Eligibility

“Specified VSS Doctors”

- Doctors who join VSS and at least one Government subsidised Primary Healthcare (PHC) Programme (estimated **~3,000 doctors**)

Abbreviations:

- BCSPPII: Breast Cancer Screening Pilot Programme Phase II
- CDCC: Chronic Disease Co-care Scheme
- CRCSP: Colorectal Cancer Screening Programme
- EHVS: Elderly Health Care Voucher Scheme
- GOPC PPP: General Outpatient Clinic Public-Private Partnership Programme (phasing out)
- VSS: Vaccination Subsidy Scheme
- RVP: Residential Care Home Vaccination Programme
- SIVSOP: Seasonal Influenza Vaccination School Outreach Programme

Pricing and Overall Arrangement (1/3)

➤ Available Vaccines

- Two vaccine items:
 - Anflu Influenza Vaccine (Anflu): 100 000 doses
 - Vaxigrip Trivalent Influenza Vaccine (Vaxigrip): 200 000 doses
- Availability: Anflu will be available earlier than Vaxigrip

➤ Government-Subsidised Specified Unit Price

- Anflu: \$18 per dose
- Vaxigrip: \$23 per dose

Pricing and Overall Arrangement (2/3)

- **Overarching arrangements for doctors who have joined Pilot Scheme to draw IIV from Government Contracts**
 - A certain quantity of **Anflu** will be **initially reserved** for **4 weeks after the start of VSS 2026/27**
 - Based on the **actual quantity of Anflu ordered**, the **same quantity of Vaxigrip** will be **reserved for 2 weeks upon availability**
 - If Anflu reserved is not ordered within 4 weeks after the start of VSS 2026/27, doctors can **order Anflu from Central Pool / Vaxigrip when stock is available** based on **IIV vaccination records** submitted for **eligible persons under VSS (clinic settings only)**
 - **Re-ordering** is allowed if stock is available. **Re-ordering quantity** is based on **IIV vaccination records** submitted for **eligible persons under VSS (clinic settings only)**

Pricing and Overall Arrangement (3/3)

➤ Co-payment Setting

- Setting of Co-payment by participants receiving **IIV**
 - If **doctors joined Pilot Scheme**, doctors must set the **co-payment at \$0** for **IIV** across all eligible persons throughout the VSS 2026/27, **including IIV procured by doctors themselves**
 - If doctors did not join Pilot Scheme, doctors could set co-payment and make adjustment throughout the VSS 2026/27
- Co-payment arrangement for **live attenuated influenza vaccine (LAIV)** and **recombinant influenza vaccine (RIV)**
 - Doctors could set separate co-payment and make adjustment throughout the VSS 2026/27

Vaccine Reservation & Vaccine Ordering Arrangements (1/2)

➤ How to join Pilot Scheme:

- Doctors can join Pilot Scheme **via eHealth VSS Platform** by **checking the box of “SIV(IIV)”** under **“Draw vaccine from the Government Contract”** during **VSS new enrolment, profile renewal or profile update**

➤ Reserved Quantity:

- Upon doctor's indication to join Pilot Scheme, each indicated doctor-clinic will have a certain **Reserved Quantity of Anflu**

➤ Anflu Influenza Vaccine:

- An **initial fixed quantity** of 50 to 100 doses (TBC) will be **reserved** for each indicated **doctor-clinic** for **4 weeks** after the start of VSS 2026/27

➤ Vaxigrip Trivalent Influenza Vaccine (upon availability):

- **According to the actual quantity of Anflu ordered within 4 weeks after the start of VSS 2026/27, the same quantity of Vaxigrip will be reserved for that doctor-clinic for 2 weeks upon availability**
- Remaining **un-reserved quantity** of Vaxigrip can be ordered if stock is available and based on **IIV vaccination records** submitted for eligible persons under VSS (clinic settings only)

Vaccine Reservation & Vaccine Ordering Arrangements (2/2)

➤ Central Pool

- Reserved quantities of both vaccine items that are **not ordered by doctors** after the given time period will be **released** to Central Pool
- **All doctors who have joined the Pilot Scheme** can order **both vaccines** from Central Pool **based on IIV vaccination records submitted** for eligible persons **under VSS** on a **first-come-first-served** basis **while stocks last**

➤ Re-ordering Quantity

- Based on **IIV vaccination records** submitted for eligible persons **under VSS (clinic settings only)**
- Calculation of **re-ordering quantity** will only take into account vaccination records submitted under **VSS clinic settings**. Those records submitted under **VSS non-clinic settings** will **NOT be counted**
- Re-ordering Quantity can be used to **order Anflu and/or Vaxigrip** on a **first-come-first-served** basis **while stocks last**

➤ Only doctor-clinic who have joined Pilot Scheme (**deadline: 31 Aug 2026**) can draw IIV from Government Contract

Vaccination at Non-clinic Settings

Added slide

- IIV drawn from Government Contract can be administered to **VSS eligible groups** at clinic or non-clinic settings
- **Vaccination records** should be **submitted under VSS** at **non-clinic settings**
- For re-ordering, **IIV vaccination records submitted under VSS non-clinic settings** will **NOT** be **counted towards re-ordering quantity**
- Examples of places of outreach activities:
 - Companies
 - DHC/DHE
 - Elderly Centres
 - NGOs
 - Owners' Corporations
 - Universities

Important points to note

Extracted from Specified Programme – Vaccination Subsidy Scheme – Specific Terms and Conditions:

- Clause 3.7(b): The Private Doctor **shall not charge** a Scheme Participant (i.e. the **Co-payment** chargeable shall be **set at HK\$0**) for such Specified Vaccine(s)* **regardless of whether such Specified Vaccine(s)* is ordered through the Ordering Platform or not**. For the avoidance of doubt, the Co-payment set for such Specified Vaccine(s) shall remain at HK\$0 at all times **throughout the whole Vaccination Period** and **shall not be adjusted** by the Private Doctor
- Clause 4.2: Specified VSS Doctor **undertakes not to use or administer the Specified Vaccines* ordered** under the Doctor's Order(s) for any purposes **other than provision of Vaccination to Scheme Participants** under the Agreement without prior written approval by the Government

* In the context of 2026/27 Vaccination Period, Specified Vaccine(s) refers to **Inactivated Influenza Vaccine (IIV)**

Vaccine Ordering Arrangement under the Pilot Scheme on Vaccine Procurement for Doctors

Mr Gordon LAM
Manager
Strategic Purchasing Office

Highlights - Other Arrangements

- Order request for each vaccine item is **doctor-clinic based** and limited to once per day
- Each vaccine item requires a **minimum order of 30 doses and made in multiple of 10 doses**
- Vaccine **delivery** is to the **same doctor-clinic address** where the order is placed
- Supplier(s) shall arrange with individual doctor directly for delivery logistics and payment arrangement
